Who We Are

For 40 years, Blue Chip Computer Systems has been proudly serving all parts of Government from National Defense, to Statewide Agencies, to our local Municipalities right here at home.

Located in Los Angeles, Blue Chip provides worry-free IT solutions (services, hardware and software) for our Government partners. We choose the best strategic vendor partners who specialize in delivering the demanding needs of Government and understand the complexity of compliance issues and budgetary concerns.

We'll be there before, during and after the sale to make sure our solution provides the ultimate user experience.
